ABOUT ME

I am Soujanya A R, a final-year Bachelor of Computer Applications (BCA) student with a strong interest in technology, programming, and software development. I enjoy learning new technical skills, solving problems through code, and building practical projects that improve my knowledge. I am passionate about growing in the IT field and continuously developing my abilities in areas like software development, web technologies, and database management. I am a quick learner, hardworking, and motivated to start my career in the technical domain.
